The Golf Experience

Joondalup Resort stands out from the rest by offering a great variety of options to customers for their golf days.

Few golf courses anywhere in the world offer the dramatic contrasts, the scenic beauty and the sheer golfing challenge of Joondalup Country Club's 27 hole championship golf course.

The spectacular golf course in Perth sweeps across dense bushland, cuts through steep limestone quarries and skirts picturesque lakes, to present surprises and challenges at almost every turn. One minute you are playing an approach shot beneath a 30-metre limestone cliff, the next you are adapting to the fresh ocean breeze on an undulating links style fairway.

Designed by the internationally renowned Robert Trent Jones Jr, who has created some of the finest modern layouts of world golf, Joondalup Resort's course maximises the features of a spectacular landscape which provides a stunning visual experience as well as the challenge of golf. Comprised of three 9-hole courses, Joondalup offers a unique golfing experience through diverse natural landscapes of bush vegetation (Lakes course), dunescape (Dunes course) and quarries (Quarry course).

Manicured and maintained to a championship level, the course offers a superb experience for novice golfers and professionals alike. Complimenting the course, nestled within the fairways, is the stunning Joondalup Resort hotel, comprising 70 spacious hotel rooms, state of the art function facilities and a range of restaurants and bars to complete the golf experience.

The Joondalup Resort Pro Shop offers great new registration gifts and prize packs. Prices have been greatly reduced for Corporate Golf Day customers and cater for any budget while maintaining quality prizes.

Whether you use golf to entertain, reward or build effective teams, Joondalup Resort is sure to impress.

Dress Code

The highest standards are presented across every element of Joondalup Resort. We invite golfers who enjoy our facilities to become part of our standards and as such maintain a strict dress code on course. Correct golfing attire consists of a smart collared shirt, slacks or appropriate shorts with soft spike footwear or suitable rubber sole shoes.
